## About Us

The Donovan Community Unit School District #3 is made up of four neighboring small communities, Beaverville, Martinton, Iroquois, and Donovan, IL.

The mission of Donovan Community Unit School District #3 is to teach student skills and values while encouraging them to gain knowledge necessary to empower them to be contributing, responsible citizens confidently adapting to our changing society.

## Graduation Requirements

For graduation, students must earn a minimum of 25 credits.

To graduate from high school, unless otherwise exempted, each student is responsible for:

- Completing all state-mandated graduation requirements.
- Completing all district graduation requirements that are in addition to state graduation requirements.
- Passing an examination on patriotism and principles of representative government, proper use of the flag, methods of voting, and the Pledge of Allegiance.
- Participating in the state assessment (SAT) required for senior standing.

All courses earned toward graduation must be approved by the Principal. Generally, credits earned at other high schools are applied toward the total credits needed. A student may be permitted to count two (2) credits of correspondence or summer classes towards graduation requirements; however, these classes must be approved by the school. Donovan High School does not permit "Early Graduation."

Grade point averages are accumulative over the term of four years.

GPA is based on a 4-point scale and includes Honor Course Points.

GPA is used to determine where a student ranks among his/her classmates. It is used to determine Valedictorian (highest GPA) and Salutatorian (second highest GPA) of the graduating Senior Class.

Valedictorian and Salutatorian will be determined after the eighth semester from the graduating seniors. A student must have completed the last four semesters at Donovan High School before he/she will be considered for Valedictorian or Salutatorian of their class.

Unit #3 will not accept weighted grade point averages from other schools when a student transfers to our district.

<b>Semester Grading System:</b>	40% = Quarter Grade	40% = Quarter Grade	20% = Final Exam
